**Submittal
Work Area Monitoring Plan (WAMP) Operable
Unit 2 Omega Chemical Superfund Site**

Dear Mr. Praskins:

Pursuant to the November 19, 2014 Term Sheet, please find attached for your files, the final Work Area Monitoring Plan (WAMP) which incorporates responses to the October 6, 2016 EPA comments and includes a Field Sampling Plan, Quality Assurance Project Plan and Health and Safety Plan.

Should you have any questions or comments, please contact me at (619) 546-8377. Thank you.

Sincerely,

Jack Keener,
OU2 Project Coordinator
